## Decking That Provides Industry-Leading Strength

I.Dekk and I.Dekk HD, with Traction Finish, offers more than just beauty. Its patented formulation contains no wood fillers unlike many other alternative decking products, putting it a step above other decking.

The patented DuxxBak Composite, with a combination of Biodac<sup>®</sup>, rice hulls and high-density polyethylene resin, has a high fade resistance and very minimal water absorption. Its strong I-Beam construction provides industry leading strength in a lightweight profile. I.Dekk and I.Dekk HD will NOT rot or mold and will remain looking like new for the life of your deck.
